## Assumption of the risk and waiver of liability relating to Coronavirus/Covid – 19

### Woodsend Farm and North GA All Breed Herding Dog Association (known as NGABHDA)

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to be spread mainly person to person contact. As a result, federal, state, local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

Woodsend Farm and NGABHDA have put into place preventative measures to reduce the spread of COVID-19. However, Woodsend Farm and NGABHDA cannot guarantee that you will not become infected with COVID-19. Further attending these activities voluntarily at Woods End Farm or NGABHDA event could increase your risk of contracting COVID-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk I may be exposed or infected by COVID-19 by attending activities at Woodsend Farm and NGABHDA activities and that such exposure or infection may result in personal injury, illness, permanent disability and death. I understand the risk of becoming exposed to or infected by COVID-19 at Woodsend Farm and NGABHDA event may result from the actions, omissions and negligence of myself and others, including, but not limited to, Woodsend Farm and/or NGABHDA volunteers, participants and competitors.

I agree to self monitor for signs and symptoms of COVID-19 (symptoms typically include fever, cough and shortness of breath) and agree that if I experience any of these or any other symptoms during the Activity at Woodsend Farm I will discontinue my participation immediately. I voluntarily agree to assume all the foregoing risks and accept sole responsibility for any injury to myself (including, but not limited to, personal injury, disability and death) illness, damage loss, claim, liability or expense of any kind that I may experience or incur in connection with my attendance at Woodsend Farm and NGABHDA event. On my behalf, I hereby release, covenant to not sue, discharge and hold harmless Woodsend Farm, NGABHDA, its employees, agents and representatives, of and from the claims, including all liabilities, claims, actions, damages, costs, expenses of any kind out of or relating thereto. I understand and agree that this release includes any Claims based on actions, omissions or negligence of Woodsend Farm and NGABHDA its employees, volunteers, agents and representatives whether a COVID-19 infection occurs before, during or after participation in Woodsend Farm and NGABHDA activities.

---

Joy's first herding breed was the Texas Lacy, a heritage breed used with wild cattle. These dogs did the work of several men, worked all day, and never complained. Their strength was out in the brush and rugged territory. When she stumbled onto the world of cattle trials, she fell in love with the Australian Cattle dog, a breed that dominated the arena trials. For over 15 years, she focused on learning all that was available by attending lessons and clinics as often as possible.

Joy began teaching and training for the public in 1991, after doing well at several Nationals. Since that time, dogs that train with Roux Crew have won over 350 HITs and RHITs in five venues, gone HIT or RHIT in 12 different breed National Specialties. Her own dogs have won over \$10,000 in USBCHA as well as time and point trials. One of her Aussies won the ASCA Finals in ducks and places in Border Collie trials. Joy currently runs BCs and Aussies in ASCA, AKC, AHBA, USBCHA, MSSA, and TSDA.

Joy is a judge in AKC, AHBA, TSDA, and USBCHA and is comfortable working with most of the known herding breeds, including several rare breeds. In the last 30 years she has worked with over 1000 dogs. She regularly trains dogs for cow/calf and sheep operations as well as personal sport dogs. She will take the time to explain to her students what she sees and what the dog is doing. Knowing why is so important to successfully training and trialing.

---

Teams with working spots will have the opportunity to work their dogs twice during the day. The clinic is for dogs are at all levels and work on fixing problems. Dogs should have some experience seeing stock. Clinic work will be on sheep.
